Can you spare time to help your Group?

This from Daren Bubb our Treasurer

At the 2017 Annual General Meeting I indicated that 2017/18 would be my last year as group Treasurer as I intended to step down at the 2018 AGM. However, given that we could not find a replacement to take over as treasurer, I agreed to carry on for another year.

However, due to work commitments I will definitely not be able to continue for 2019 and so I will not be seeking reappointment at the 2019 AGM in May next year. As such the group has started looking for a new Treasurer.

The work is not technically challenging and the volume of transactions is pretty low being 16 receipts and 40 payments for the first 6 months of this year. Everything is set up in an Excel spreadsheet which has been working for a number of years so that everything balances to the penny (full training/handover will be available).

If you have a degree of financial dexterity and the desire to make a difference for your group, please feel free to email me your details for an informal discussion about what is involved.

I have clear notes on all aspects of the role and would happily support a complete handover and ongoing support as you find your feet. If you can help please contact **Daren** asap on **treasurer@kentiam.org.uk**

New Observers are always needed, full training will be given please contact **Peter Bott on** vice-chairman@kentiam.org.uk

Course Co-ordinators are required at both Grove Green and Canterbury please contact **Val Power on** secretary@kentiam.org.uk

New members of the Lecture Team are wanted – please contact Team Leader John Mills on johncfmills@tiscali.co.uk

We also seek a new editor for one 20 page magazine per year and 2 newsletters please contact **Linda Davies on** chairman@kentiam.org.uk

Social Events Secretary Andy Wyles would like to hear your ideas of what outings would interest you for 2019 please contact **Andy on** social-events@kentiam.org.uk

Hot off the press:-
